

Do You Know a Good Samaritan?

The inscription on the Good Samaritan Award reads as follows:

“In recognition of an individual in our local community whose selfless acts best exemplify the spirit of N. Donald Diebel, Jr., M.D.

The recipient’s actions are heroic in nature and performed without the hope of personal gain or recognition. In honoring this person, others are inspired to help those in need and to perpetuate the message of the Good Samaritan.”

We are searching for the person who best personifies this concept of a Good Samaritan. Do you know someone in the Central Florida area whose actions fit this description? If so, please take a moment to nominate them.

If your nominee is selected, The N. Donald Diebel, Jr., M.D. Good Samaritan Fund will donate \$2,500.00 to the 501(c)3 organization of your choice.
